- Accident Investigation
- Defensive Tactics
- Firearms
- MRT/First Responder
- Cultural Diversity
- Various other law enforcement related topics

To Join the Team, You Must:

Job Description:

Police work involves the protection of life and property through the enforcement of laws and ordinances. It involves the responsibility for the prevention, detection and investigation of criminal activity, while assigned to a specific task or geographic area on an assigned shift.

Responsibilities include, but are not limited to:

- Problem solving activities while working in conjunction with community organizations
- The use and care of firearms
 - Communications equipment
 - Police vehicles
 - Other necessary equipment

The work requires the exercise of considerable independent judgment including application of law, policy, procedure and tact.

The Police Officer may be assigned to a specialized unit requiring specialized knowledge, training and equipment. Such units could include vice and narcotics, community policing, criminal investigations, K-9 or marine.
