

NJ TRANSIT POLICE

You have been invited to participate in the NJ TRANSIT Police physical qualification test. This test is similar to the current test being administered by the New Jersey Police Training Commission's Basic Class for Police Officers, as amended by the New Jersey Division of Criminal Justice, on March 23, 2017.

This test consists of a vertical jump of 15 inches, 28 sit-ups in 1 minute, a 300-meter run in 70.1 seconds or less, 24 push-ups in 1 minute and a 1.5 mile run in 15:55 minutes or less.

Applicants are given 1 attempt at each exercise; except for the vertical jump. The test is pass or fail and failure of **one** exercise will cause you to discontinue further testing. Specific instructions must be followed to ensure no cheating occurs and deviation will cause you to be removed from the testing process. A bracelet will be placed on your wrist when you first register and **must** be kept on throughout testing. If at any time you do not have the bracelet on during an exercise station; you will be removed from further consideration. Your bracelet must be turned in once you complete the 1.5-mile run; all applicants are free to leave once they complete their 1.5 mile run.

Exercises will take place indoors and outdoors; please wear appropriate athletic clothing. Examples of athletic clothing are sweatshirt or T-shirt, sweatpants or shorts and sneakers. In addition, please eat correctly before the test, get sufficient rest the night before, and stay hydrated as much as possible.

As space and judges become available, you may be instructed to do either push-ups, sit ups or vertical jump in no particular order. Once you pass all of those exercises you will be instructed to follow your group to the starting point of the 300-meter run. And lastly, if you pass that event, you will proceed with your group to the 1.5-mile start.

If you fail any of these exercises, you will be asked to return to the registration table to check out and return your bracelet.

PRIOR TO PARTICIPATING IN THE NJ TRANSIT POLICE PHYSICAL QUALIFICATION TEST, YOU SHOULD CONSULT YOUR PHYSICIAN TO ENSURE IT IS SAFE FOR YOU TO ENGAGE IN THIS TYPE OF PHYSICAL ACTIVITY

Push-Ups and Sit-Ups

These exercises are counted as they are done correctly. Any incorrect repetitions are not counted. The judges will count out loud for the pushup and sit-up portion; this will allow candidates to be aware of how many have been done correctly.

300-Meter Run

You will run 300 meters outdoors. You should properly warm up and perform dynamic stretches prior to this test.

Vertical Jump (2 attempts)

You must have both feet stationary on the ground prior to the jump (e.g., no running jumps). You will jump vertically and strike/hit the highest slat possible.

1.5 Mile Run

For this outdoor exercise you will hold a tongue depressor/popsicle stick on which you will sign your name on. At the turn-around, a judge will observe you drop the tongue depressor into a bucket, which will confirm you made it to the turn-around. You will then return to the starting point, crossing by 15 minutes and 55 seconds. The path of the run is paved, and you must stay on that paved path unless passing a group.

Should you pass ALL phases of the physical qualification test you will be given more information through policeapp.com regarding the next step of the recruiting process.

GOOD LUCK!!!!

PLEASE READ CAREFULLY AND SIGN THE RELEASE AND WAIVER OF LIABILITY PHYSICAL TEST FORM PRIOR TO YOUR TEST DATE
