 - Persons and/or articles with contagious/communicable diseases;
 - Hazards associated with emergency driving, traffic control and working in and around traffic;
 - Hazards associated with natural and man-made disasters.

C. Infectious Diseases

Because police officers may be called upon in adverse conditions to come into physical contact with others, the City will not knowingly expose citizens or other employees to an employee infected with a contagious disease that poses a direct threat to others. Decisions regarding infectious diseases will be based on reasonable medical judgments given the state of medical knowledge about:

1. The nature of the risk (how the disease is transmitted);
2. The duration of the risk (how long is the carrier infectious);
3. The severity of the risk (what is the potential harm to third parties);
4. The probability that the disease would be transmitted and will cause varying degrees of harm. (School Board of Nassau County v. Arline, 480 U.S. 273, 107 s. Ct. 1123, 1987).

III. MINIMUM ACCEPTABLE CHARACTERISTICS:
