

# EAST BRUNSWICK POLICE DEPARTMENT

## 2023 RECRUITMENT DRIVE

### SELECTION PROCESS INFORMATION

---

Dear Applicant:

Congratulations on registering for the 2023 East Brunswick Police Department's Police Officer Recruitment process.

Although we have taken great measures to ensure that the information provided at the time of registration was complete, we do understand that you may still have questions. Most of these questions may be answered at a later time. In order to limit the amount of incoming telephone calls to the police department regarding the recruitment process, we ask that you direct questions to one of the recruitment officers present at each phase.

The phases remaining in the 2023 recruitment drive are as follows:

- Phase 2 – Physical Agility Test **October 22, 2023, at 2:00 PM**
- Phase 3 – Written Examination **TBD**
- Phase 4 – Oral Review Board
- Phase 5 – Background Investigation
- Phase 6 – Final Interview
- Phase 7 – Conditional offer of employment & Psychological Examination
- Phase 8 – Medical Examination
- Phase 9 – Probationary Appointment and Training

The exact time and location of the above tests will be provided to you prior to the testing. Due to the extremely competitive nature of the process, it is critical that you pass all of the remaining phases and **follow all rules and procedures during the testing process.**

The address and phone number you have provided will remain on file throughout the recruitment process. If **ANY** of your personal information changes, **it is critical that you notify the East Brunswick Police Administrative Division (732-390-6948) as soon as possible.** If you do not receive recruitment information due to a change of personal information that has not been filed with the Administrative Division, you will be dropped from the recruitment process.

Thank you for your interest in the East Brunswick Police Department and good luck.
