We are here to answer your questions, and would be happy to set up a ride along to help you make the decision if this is indeed the career for you.

**Disqualification when completing all application/background materials:** Issues of prior misconduct, such as prior illegal drug use, driving under the influence, theft, or even arrest or conviction are usually not, in and of themselves, automatically disqualifying. However, **deliberate misstatements or omissions** can and often will result in your application being rejected, regardless of the nature or reason for the misstatements/omissions. **In fact, the number one reason individuals "fail" background investigations is because they deliberately withhold or misrepresent job-related information from their prospective employer.**
